O-T-C Industrials and Miscellaneous, Insurance, Banks & Trust Companies, Mutual Funds, Foreign Securities

Prices for April 26, 1974

NOTE: This tabulation is comprised of two sections: (1) The stock issues furnished by the National Association of Securities Dealers, consisting of Industrials, Insurance, Banks & Trusts and Mutual Funds. (2) A supplemental list of industrials and Miscellaneous stock issues.

In all cases, they reflect the bids and offers quoted by Over-The-Counter Dealers to each other. The quotations do not include retail mark-up, mark-down or commission, and do not represent actual transactions.

■ Indicates OTC Margin Stocks, that have been determined by the Board of Governors of the Federal Reserve System to be subject to margin requirements as of Sept. 4, 1973. Caution: Stocks appearing on the list *have not been approved*, in any way, by the Board and representation by any person that their appearance on the list indicates approval by the Board or is *based on approval by any government agency is unlawful.* Information and prices are obtained from sources considered reliable, but its accuracy is not guaranteed.
